CPD Program Availability Through the Law Library

In an effort to assist lawyers in obtaining their required CPD hours the library is running most programs run by the Law Society. As our scheduled programs do not always accommodate everyone we would like provide groups ie: Firms, area of practice groups etc. with the opportunity to schedule programs alongside our calendar. In order to do so programs must be a Law Society Video Replay, registered 30 days prior to the date of replay, there must be at least 5 members present, it must be held in the library or in a boardroom.

Please contact Cathleen for more information on scheduling a program for your group.

There is a \$10 entry fee per person and a minimum of \$10 in pledges required per person.

The Windsor Lawyers Feed the Hungry program currently serves and funds two meals each month at the Downtown Mission. Our annual cost to do this is approximately \$10,000.00.

We are considering expanding the program to serve local school children who are identified as at risk on the weekends (ie they are given snack and breakfast programs at school during the week but there is little food at home on the weekend). We are also considering an outreach program in the county and/or donations to area foodbanks. We can make a difference in our community and we need your help to do it. We also have dates available for serving meals at the mission. Please contact essexlaw@mnsi.net or ccaaza@thepersonalinjurylawfirm.net for details on the available dates and times.

Thank-you for your support!
